## MONTHLY CALENDAR

Feb 1	African American Month Begins
Feb 1	Chinese New Year Continues
Feb 1	Installation of Carbon Monoxide Detectors begins
Feb 28	FHC Board Meeting 6:30PM
Mar 1	Household Composition form due for Hardyke, Hemlock & Jonathan

## VEHICLE BREAK-INS

Multiple people have reported their vehicles rummaged through and valuables taken. In all cases, the perpetrator gained entry through an unlocked door.

- ✓ Please be sure to **keep your vehicle locked at all times.**
- ✓ **Do not leave valuables** inside.
- ✓ Make it routine to **be aware of your surroundings.**
- ✓ **Call the police** if you see anything suspicious.

## Black History Month

Black History Month, which is celebrated each year during February, is a chance for Americans to learn details of their nation's history that, unfortunately, are far too often neglected and pushed to the wayside. As the saying goes, Black history is American history – and it's a varied and rich history.

A wise nation honors and learns from its past. It refuses to let the most important facts about our shared and collective memory disappear into the depths of forgotten history. What happened in the past shapes and informs where we are heading in the future, and it's of paramount importance to set aside a month for learning as much as we can about Black history.

## ANNUAL HOUSEHOLD COMPOSITIONS

This year your cooperative board is requiring an update of all residents living in the home. We will be posting a Household Composition form containing important instructions to your door as follows:

**February 1st—March 1st**

**Household Compositions will be required for Hardyke, Hemlock & Jonathan**

Only Members will be required to complete the entire household composition form and return it to the office by the end of the month. For your convenience, the form has been uploaded to your AppFolio member portal and will be emailed to the accounts we have on file.

## CARBON MONOXIDE DETECTOR INSTALLATION

Starting **February 1st**, we will be installing carbon monoxide detectors in each member's home.

- We expect the work to be complete in less than 5-minutes.
- Members do not need to be home.
- If you are a pet owner, please confine your pet to a crate or another room.
